**COMMITTEE REPORTS**

**Administration / Personnel – Comm. Ruth**

**Comm. Ruth:** I sent out an email to the Alliance Chiefs and All Hands after speaking with Acting Fire Official Shannon, he's doing double duty with inspections in the Fire Marshal office, so we're down a guy basically. So we're going to take resumes to put on a new Inspector. We'll discuss more about that in Closed Session.

**Office of Fire Prevention – Comm. Ruth**

**Comm. Ruth:** The Fire Official's report for 08/20/18 – 09/17/18 was read aloud, a copy is attached to the minutes. Yours in Fire Safety, Acting Fire Official Timothy Shannon, and Michael Brezee Fire Prevention Specialist.

**Training Division – Comm. Ruth**

**Comm. Ruth:** The Training report was read aloud, a copy is attached to the minutes. Respectfully submitted, Capt. Anthony Dimitri, Training Division.

**Fire Department Equipment – Comm. Paul**

**Comm. Paul:** The equipment is OK. I'll be working with Chief Beeler to finish up that line item by the end of the year.

**Turn-Out Gear – Comm. Paul**

No report.

**Recruitment / Membership – Comm. Paul**

No report.

**Fitness Center – Comm. Paul**

**Comm. Paul:** I sent an email the other day about the issues we had with the gym along with the policy and waiver.

**S.O.G.'s – Comm. Paul**

**Comm. Paul:** The Fire Police S.O.G. was completed by Chief Beeler and everybody has a copy of it. If anybody has any question, we could talk about it under New Business. If anybody has any question we can talk about it under New Business, but I would like to adopt it and start it as soon as we can. That's all I have.

**Communications – Comm. McManus**

**Comm. McManus:** I just ordered six new pagers. We had one damaged, I'll have to take it over and have them look at it and see if it can be repaired or trashed. PK was talking about ordering a couple radios from Public Works. Once I get the new pagers I'll see how much money I've got left. One question I was going to ask, will they work before Craig puts in the repeater?

**Chief Beeler:** What's to work, it's just radio to radio. Once he's got a repeater, he's going to put it on top of Lindenwold Tower.

**Comm. McManus:** Is that where he's going to put it?

**Chief Beeler:** Um hum. We talked about it for a while the other day. He's going to make a deal with Cliff and them to stick it on the roof and build a little box to keep it enclosed. It's the highest building in Lindenwold. And if it's up there, you're definitely going to reach both sides of town, no ifs ands or buts. Even the worst case scenario, you'll have minimal lapse in coverage.

**Comm. McManus:** Alright.

**Sale of Assets – Comm. McManus**

No report.

**Assist Personnel – Comm. McManus**

No report.

**Apparatus – Comm. McManus**

**Comm. McManus:** The new truck is back and in service. The guys did a bang up job coming over from England. They got the parts here and they were right there with the parts. In two days the truck was back together and operational, so they did a real good job.

The speaker in the Squad that was in the dashboard making a bunch of noise, that was replaced on Friday so hopefully that will be handled.

The leak on the Ladder, the pump, that was not fixed on Friday. He's planning on coming out tomorrow and taking care of it. I think what happened, it's a check valve on the relief valve and it drains the pump. So somebody must have pulled the tank...because it's only 150 gallon tank and filled the pump back up. So I talked to Steven this morning and they filled the tank back up.

The Cascade is going to have to go up to Airpower. They have to pull the air bottles out of it to de-hydro and they're also going to rebuild the containment unit. It's not closing properly and you have to play with it to get the bottles filled.

**Computers – Comm. McManus**

**Comm. McManus:** I haven't heard anything from anybody. I told Justin to contact if we need this that or the other thing, and I haven't heard a word.

**Cl.Crockett:** Nothing new for the budget this year?

**Comm. McManus:** No. That's it.

**Budget – Comm. McManus**

**Comm. Ruth:** We have a budget workshop October 1, 2018 and that will be for the Chief and Training Division, and that's at 7:30pm.

**Building Maintenance / Grounds – Comm. Hans**

No report.

**Health & Safety – Comm. Hans**

**Comm. Hans:** Just a reminder for those who are due for their physicals, they will be at Station 2 and it's set for Tuesday, October 2<sup>nd</sup>.

The eye cartridges for the eye station at Station 2 have been replaced. You're going to let me know about No.1?

**Chief Beeler:** Yeah, they're still talking...

**Comm. Hans:** I relocated them, and we'll be back taking care of them. One I have to replace because they should be outdated.

**Fixed Assets – Comm. Hans**

No report.

**Hydrants / Water – Comm. Hans**

No report.

**Insurance – Comm. Weindel**

**Comm. Weindel:** Kathy and I met with the insurance person about updating our assets for all our insurances. We went over the whole nine yards with it and we should be up to snuff with it.

**Uniforms – Comm. Weindel**

**Comm. Weindel:** I have about \$1,000 left. I'm going to order a couple little things and that will be done till next year.

**Fuel – Comm. Weindel**

**Comm. Weindel:** We had a problem with the fuel card, we'll look into that to see what's going on. I told everybody at the last meeting we should be getting our fuel at the Borough Hall. Unless the Borough Hall is down, you can go to Wawa, but for the most part you should be going to the Borough Hall for that.

**Chief Beeler:** I just want you to know, I always go to the Borough Hall. Someone else likes to go to Wawa a lot.

**Comm. Weindel:** I mentioned that at the last meeting that you should be going to the Borough Hall for all fuel unless there is a problem. Just so everybody is aware of that.

**Train Display – Comm. Weindel**

**Comm. Weindel:** I had a lot of stuff going on over the last few weeks, but I'm going to get that train back on the street somehow.

**Chief Beeler:** Do we want to use the train?

**Comm. Weindel:** It's up to everybody else. It's good P.R., if we fix it up.

**Chief Beeler:** It's huge, it weighs a ton. The only things that actually drag it around is the Cascade.

**Comm. Weindel:** What's the opinion? Should we get maybe a digital sign or something like that?

**Chief Beeler:** I think you'd be better off with a digital sign...it's big. I guess it's an eye catcher, but...

**Comm. McManus:** If we're not using it, it's got to go back to the Borough.

**Chief Beeler:** I'll take it over to Craig.

**Comm. Paul:** Have a digital sign on both sides.

**Comm. Weindel:** Let me check it out and see if we can update it. I think digital is the way to go.

**Comm. McManus:** Then you've got to watch that if you make something digital and mobile? How are you going to power it?

**Comm. Weindel:** Solar. Let me look into it and check it out. That's all I got.

**Incentive Program – Comm. Weindel**

No report.

**Chief's Report – Chief Beeler**

**Chief Beeler:** The report was read aloud by Chief Beeler, a copy is attached to the minutes.

**Comm. Weindel:** I have a question. Under Fire Policy, what's the status on that?

**Comm. Ruth:** That's coming up under New Business.

**Comm. Weindel:** OK.

**President's Report – Comm. Ruth**

**Comm. Ruth:** President's? (hearing none)

**Borough of Lindenwold – Councilman DiDominico**

**Comm. Ruth:** Council DiDominico is not present.

**Solicitor – R. Tavani**

**Sol.Tavani:** We have for consideration by the Board tonight, Resolution 2018-23, the Resolution to appoint Tiffany Beach as District Clerk. This is a first reading and it will be necessary to pass this by roll call, and it calls for a second reading on the Board's scheduled budget meeting October 1<sup>st</sup>.

**Cl.Crockett:** We'll advertise for the second reading.

**Sol.Tavani:** The resolution has to be published of course with notice of introduction which includes the fact that we're going to have a second reading on October 1, 2018, 7:30pm at the Board's office here, and I'd ask for action on this tonight.

**Resolutions – Comm. Ruth**

**Comm. Ruth:** As Rich just mentioned, we have Resolution 2018-23. As everybody is aware, Comm. Hans, myself and Cl.Crockett interviewed 10 perspective candidates. As I spoke to the Commissioners earlier with our recommendations, I have a resolution tonight appointing Tiffany Beach as the District Clerk. This is the initial reading of the resolution. The second reading will be October 1, 2018 at 7:30pm at this location.

**Sol.Tavani:** And it may be read by title.

**Comm. Ruth:** Resolution 2018-23                      Resolution appointing Tiffany Beach as District Clerk of the Board.

Motion made by Comm. Paul, seconded by Comm. Weindel. Any questions? (hearing none).

Roll call vote, Comms. McManus, Paul, Weindel and Ruth yes. Comm. Hans abstained. The resolution carries.

Congratulations, you'll be the new Clerk.

**Old Business – Comm. Ruth**

**Comm. Ruth:** Old Business? (hearing none)

**New Business – Comm. Ruth**

**Comm. Paul:** We have the S.O.G. for the Fire Police. I'd like to discuss and possibly adopt.

**Comm. Weindel:** I have a question on the vehicles.

**New Business – continued**

**Chief Beeler:** The only thing that I would let them do in town if they use their vehicles with blue lights, that's their choice, if not they would respond to No.1's firehouse and man the Utility. That way they would have a marked vehicle. If they happen to come across something and it's easier for them to stop or whatever, to me, we would outfit them with the vest flashlights and what not.

**Comm. Weindel:** They have to be certified too.

**Chief Beeler:** There is a class that the County gives, I don't know if they still do it or not, but if not I'll talk to Tommy Brennan and see if there is anything.

**Comm. Weindel:** As long as they're under the State guidelines for directing traffic and all for the insurance purposes.

**Comm. McManus:** I noticed under here you had District 63 Fire Police we used to use 63 -57

**Chief Beeler:** The way that the radios are going now I can't guarantee that we are going to be District 63 next month. They want to change us to Chief 22.

**Comm. McManus:** Who?

**Comm. Weindel:** I heard that too.

**Comm. Ruth:** So what are they doing, following the Police Districts?

**Sol. Tavani:** So each town has its own number?

**Comm. McManus:** The thing is if you don't, then they do what they want to do.

**Chief Beeler:** They are still trying to come up with solid policies and procedures for Squads, Rescues, Engines. Everything they did when they wanted to change everything was based on a guideline. As far as the Fire Police go they stay in town. They aren't leaving town unless they get permission from me, Keith or the Battalion Chief.

**Comm. McManus:** If Rich gets called out with the County Fire Police is he still using...

**Chief Beeler:** He is going to be using his own car, he isn't going to be using our car. And if for some reason the County Fire Police we do not have enough people, they have to call us and say can you send them to us. If it's West Berlin, Berlin something close by then sure. If it's Lindenwold going out for Clementon they can just go. If they call and say we are going to send your Fire Police to Pennsauken, no you're not. If we don't let the Fire Police get abused we would have people and maintaining people to come around.

**Comm. McManus:** I had four of them at one time.

**Chief Beeler:** They were always good; they always helped the cops out.

**Comm. McManus:** We still have the barriers; they are all in our shed.

**Comm. Ruth:** Are you going to make a motion to pass the SOG for the Fire Police response?

Motion made by Comm. Paul, seconded by Comm. Weindel that we pass the SOG for the Fire Police.

**Comm. Ruth:** Any questions on the response to the Fire Police S.O.G? It will be numbered and put on with the S.O.G's once we get a new S.O.G book; I will get a proper number then. Any questions? (hearing none)

Roll call vote, all yes.

**Comm. Ruth:** Is there any other new business? (hearing none)

**Public Portion – Comm. Ruth**

Motion made by Comm. McManus, seconded by Comm. Hans to open to the public. All those in favor, ayes have it. (hearing none)

Motion made by Comm. McManus seconded by Comm. Weindel to close to the public. All those in favor, ayes have it.

**Open to Commissioners – Comm. Ruth**

**Comm Hans:** Frank, do you remember the Mount Laurel September 19<sup>th</sup> First Responders joint insurance fund executive?

**Comm. Weindel:** I need to see if I can get off that day

**Comm. Hans:** I cannot do it

**Comm. Weindel:** I may have a problem myself. We went to the last meeting

**Comm. McManus:** Not sure if anyone is aware that Laurel Springs received another grant for another truck. They got a grant for their squad. \$640,000+.

**Comm Paul:** I'd like to congratulate Comm Weindel on the second place in the State with his Chief's vehicle.

**Comm Weindel:** It was a good weekend down there at the convention. There was a lot of new stuff that is out there, a lot of new apparatus, new equipment. I think our department was represented well. I don't think that we had any problems. We had a good time. It turned out to be a great weekend.

**Closed Session – Comm. Ruth**

Motion made by Comm. Hans, seconded by Comm. Paul to go into closed session to talk about the new building.  
That will be resolution 2018-24. All in favor, ayes have it.

Motion made by Comm. Weindel, seconded by Comm. Hans to end close session.  
Any questions? (hearing none) All if favor, ayes have it.

**Adjourn - Comm. Ruth**

Motion made by Comm Weindel, seconded by Comm Paul to adjourn the meeting at  
All in favor, ayes have it at 8:27pm.

### **August Training Report**

August was a slow month for the training department, the only real drill we had was on August 21<sup>st</sup> and that was called "From Jump Street, To Front Seat" and was taught by Captain Eckert from Camden City Fire Department. The bill was submitted to Kathy the day of the class. As I said last month Andy Misiolek had to repeat the firefighter 1 program and he is currently well into that. Also after talking to Chief Beeler and the other officers I think it is in the best interest of the department to purchase a new forcible door simulator. The one that I want to purchase will have different levels of difficulty that we set using actual wood so it will give a lot more of a realistic feel. It will also cut down on a lot of time that it takes straightening out the metal rods we use now. I will send all the info I gather to Chairman Ruth and Chief Beeler. We did run into a little issue with the Officers cookout this year, in past years retired Chief Nolan handled all the food and beverages for the night so I just assumed that is how it was handled, but it was 100% my fault and I take full responsibility for not reaching out to the right people and making sure everything was handled. It is my responsibility and I did not do what I was supposed to so I want to apologize to everyone and promise that it will not happen again. I also reached out to the other training officers and chiefs from the alliance and assured them that this was my fault and apologized for the inconvenience. Respectfully submitted, Captain/Training Officer DiMitri, Captain Burns, Lieutenant Maldonado.

### **September Training Report**

Again September was another slow month for the training department between the Convention and all the rain we received. I did turn in a Training Department Equipment list with items that will just better our members that much more. We had our last quarter training meeting and the rest of the year is scheduled out. Respectfully submitted, Captain/Training Officer DiMitri, Captain Burns, Lieutenant Maldonado.
